

Ostravská nádraží

Statutární město Ostrava, Archiv města Ostravy

A historical black and white photograph of the Ostrava railway station. The station building is a large, multi-story structure with a prominent gabled roof and several chimneys. In the foreground, there are tram tracks with overhead power lines and poles. A tram is visible on the tracks. The scene is set in an urban environment with other buildings in the background. The image has a slightly faded, historical quality.
